Registration Deadline July 25th

LETTER FROM OUR FOUNDER

Thank you for being a part of our
Annual Golf Outing
benefiting Veteran charities,
Veterans and their families.

My name is Christopher T. McNamara and I am proud to have served for the United States Air Force in Desert Storm. I come from a family steeped with generations of military service. My father, grandfather, uncles, a cousin, and other family members have all answered the call to service during both war and peace time. Now we are asking you to answer the call by raising money to help those who have served.

Since our inaugural outing in 2009, the McNamara Charity Golf Outing has raised over \$900,000 for local Veterans & their families, Veteran and First Responder charities.

Your donations have provided immeasurable support from sponsoring a service dog, to aiding Veterans with PTSD in obtaining equestrian grants, to providing Track chairs that give our critically wounded independence, as well as relief to local families to help ease their financial burdens.

I cannot quantify the number of brave men and women that your generous donations have helped. YOU are making a positive difference in the lives of these warriors who have given so much to this great country.

Thank you for answering the call to help our heros.

*My sincere appreciation,
Christopher T. McNamara - USAF Veteran*

Let's make this year, the best year ever!

Veterans are provided with service dogs rescued from kill shelters. Now their care is covered for life by Paws of War via these mobile vans.

Action Trackchairs provide disabled Veterans the chance to regain their independence.

*If you, your company or social group would like to sponsor a Trackchair or a service dog, please email me directly for more information.
